The Rev. Adalbert J. Sojka, C. M., A. B., was born on March 4, 1911, in Piekiełko near Tarnów Poland. He attended grammar school and high school in that city. Father Sojka went to the Tarnów diocesan seminary and joined the Vincentian Community on October 28, 1932. He spent one year at Wilno and three years at Kraków where he was ordained from the Theological Institute on September 12, 1937.

In 1960, Kanty welcomed Father "Al" to her portals as one of the faculty teaching staff. Father "Al" began his duties in the same year by teaching German and Polish. It is Father "Al's" most prominent wish to make the student achieve his goal through hard but stimulating work. Father Sojka's untiring efforts in teaching these two languages has made many students realize that they must also participate if they want to master even the easiest of languages.

Lastly Father "Al" was the students' all-around professor. As many will agree, "He has the answer for almost everything". Father not only possesses a great knowledge of languages but also excels in science, mathematics, and history. He could be approached anywhere on the school campus for an informal talk about some past or present problem which may be troubling a student.

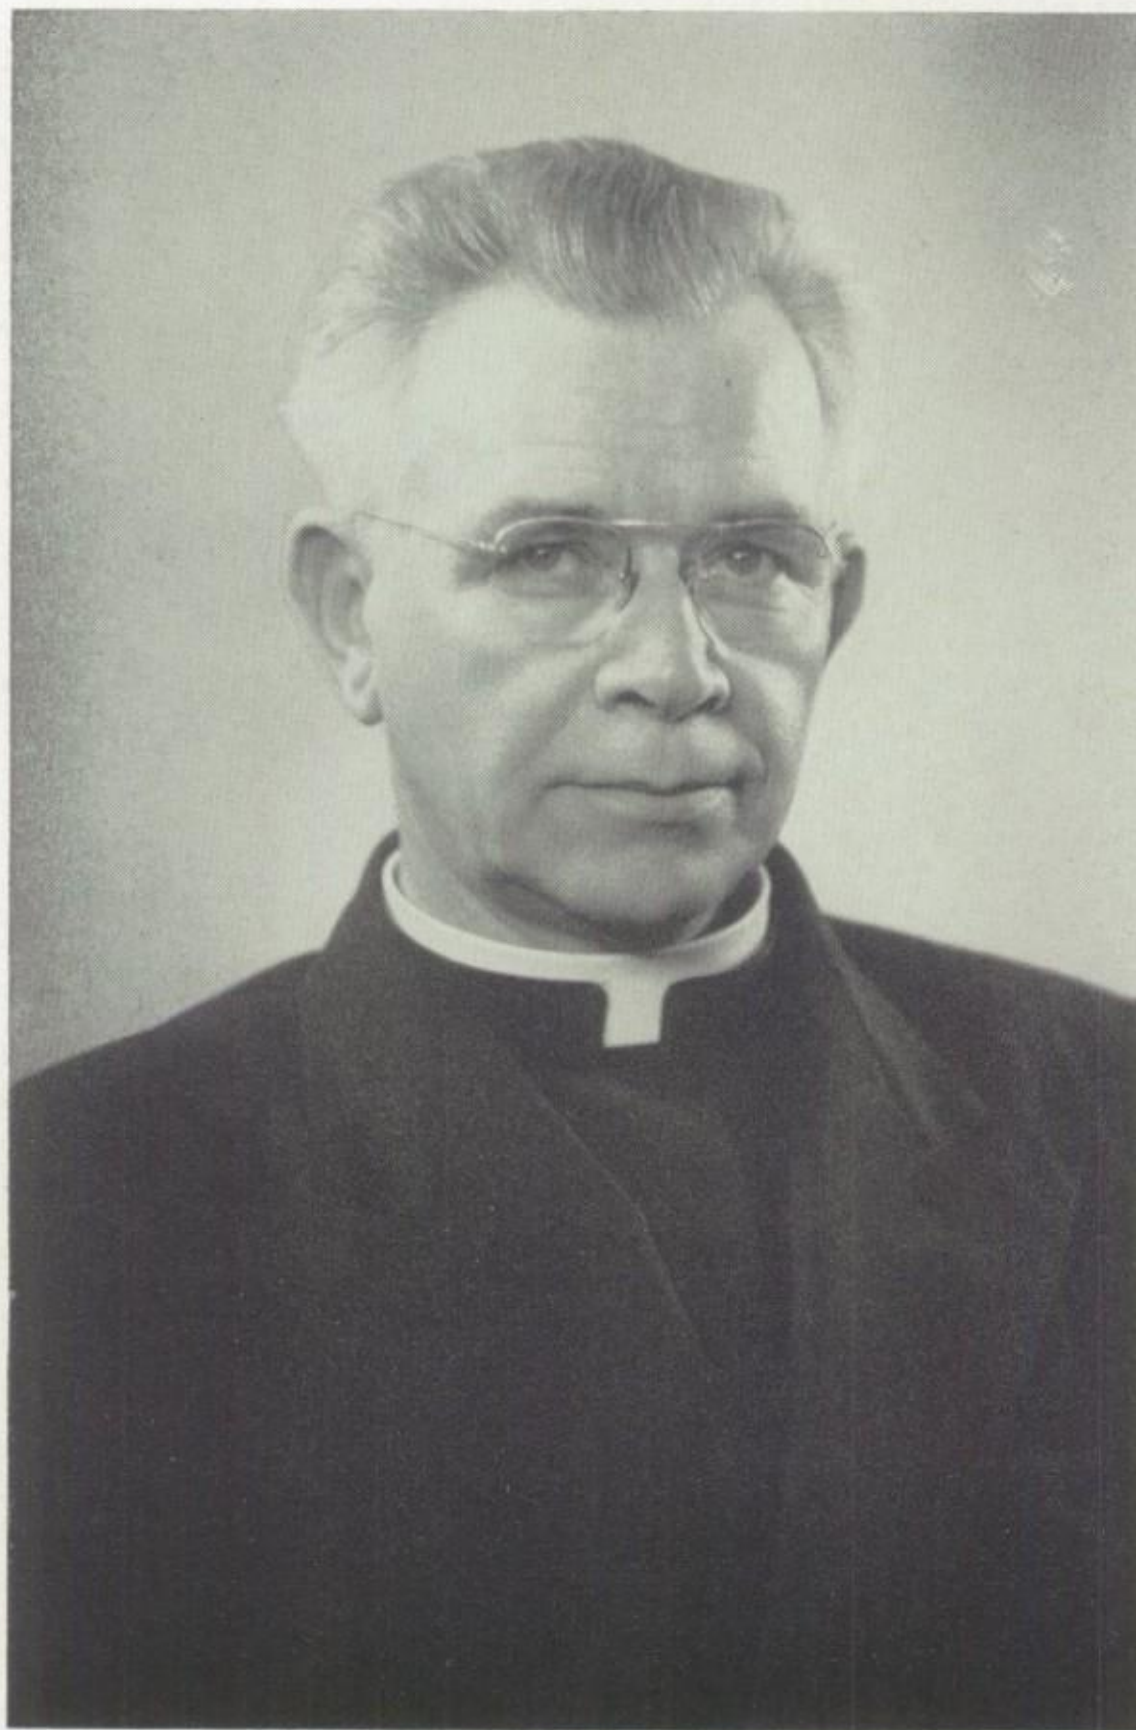

Thus it is in deep gratitude that we the Senior Class of nineteen hundred and sixty three gratefully dedicate this yearbook to our teacher and good friend, the Rev. Adalbert J. Sojka. May God Bless you and bestow upon you His graces for many more inexhaustible and untiring years of faithful service to the teaching profession.

His Grace, Archbishop John Mark Gannon, D.D., D.C.L., L.L.D.
Bishop of Erie

His Excellency, Bishop Edward P. McManaman, S.T.D.
Auxiliary Bishop of Erie

Came to Kanty in 1955

Brother Joseph Zurowski, C. M.
Receptionist and Secretary
Came to Kanty in 1960

Domestic Staff sitting left to right: Mrs. Lois Galena, Mrs. Rose Mąka, Mrs. Josephine Borawska, Mrs. Mary Grotkowska, and Mrs. Jane Kosmowska. Standing left to right: Mrs. Shirley Bole, Mrs. Helen Trojan, Mrs. Caroline Zielinska, and Mrs. Jane Grotkowska.

DOMESTIC STAFF

Days, weeks, months, and even years witness the hard work of Kanty's domestic staff. These people always busy, seem to perform a mammoth task every day.

Caring for an oversized family such as Kanty, requires a tremendous amount of perseverance, whether it be working around food, cleaning the school building, making repairs, or working on the farm. The burdensome problems of keeping a home running smoothly are greatly magnified at Kanty. The halls stairways, and various rooms must be tidied daily. The enormous amounts of food must be prepared precisely at every mealtime. Repairs are also in abundance. The farm has the task of supplying the school with fresh foods, meats, and milk.

Every person on the working staff fits into his place, doing what is expected of him to the best of his ability. Without this staff at Kanty, efficiency would surely be nil.

Although we rarely give the staff considerable thought, we should realize that without them things would not be as they are now.

FRESHMEN

Wysoczynski, Stanley, Rev. (Deceased)

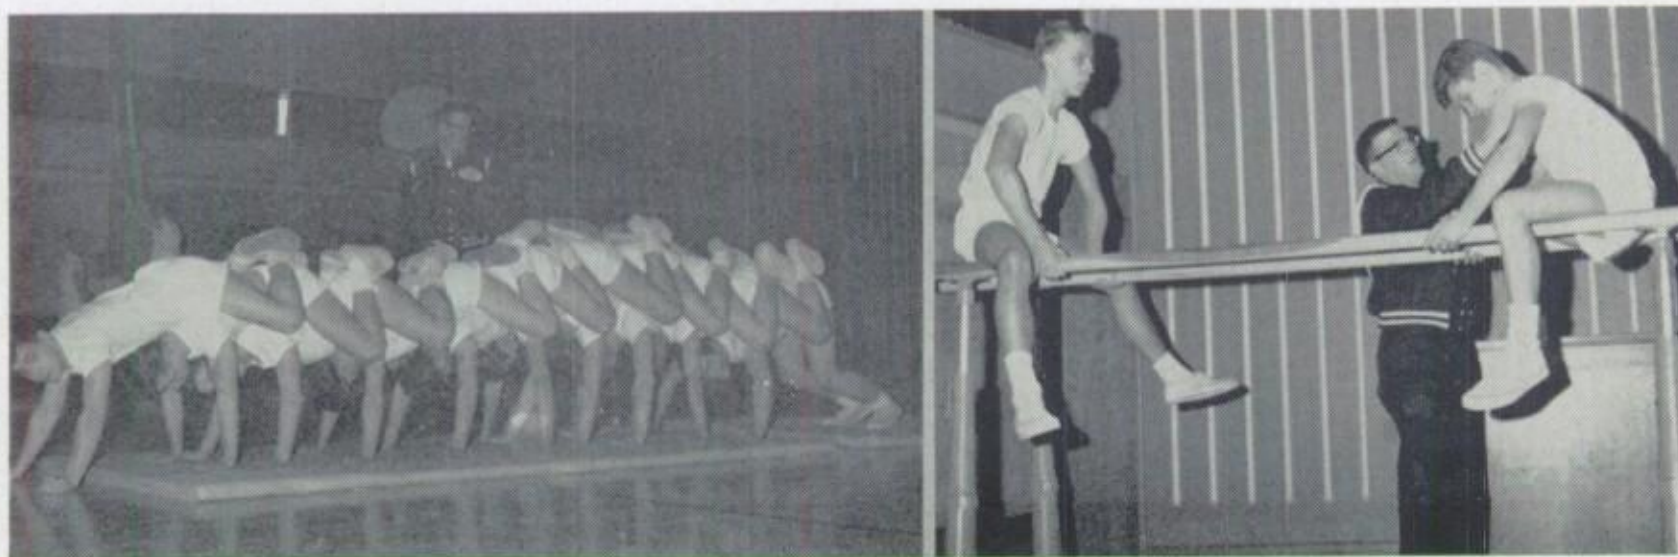

Freshman Class Officers left to right: Manuel Castellanos, Vice-President; Daniel Gall, President; and Eugene Jaskiewicz, Secretary.

Still wet behind the ears, the Frosh started a new life by entering high school. The carefree days of grammar school are gone, never to return. Dependence upon parents is somewhat curtailed. Through experience, they learned to take care of themselves without constant supervision of a superior.

For the first time they encountered difficulties which were never before of much concern. Perhaps the good use of time was the greatest problem.

Control over their childish emotions was another trying task; for the years of high school are the years of maturity—physically, mentally, and spiritually. Failure to mature is complemented by the failure to succeed in later life.

The freshman year is the year to surmount all new difficulties or the year to be broken by the same inevitable harsh realities of life.

Sophomore Class Officers left to right: James Kennedy, Vice-President; Mitchell Fennell, President; and Eugene Zalewski, Secretary.

The sophomores revolted against their childish tendencies, realizing that life is not all "milk and honey". They weeded themselves of vices and trained for the many years of constant trials ahead. The question of what shall I become is now demanding an answer. The thoughts of the remaining years of high school, and then four years of college, and the beginning of a suitable career was always upon their minds.

Emotional immaturity was now believed to be conquered. Self control and a sense of responsibility were practiced to further develop their emotional stability.

After reaching the half-way mark of a high school education, they felt a well deserved sense of accomplishment.

Junior Class Officers left to right: Stanley Stanish, Vice-President; Anthony Szewczyk, President; and David Karweck, Secretary.

The juniors, after two trying years, finally merited the title of upperclassmen. While in their third year, they received their class rings—the badge of an upperclassman.

At this point, the boys started to think more critically about their state in life and their vocation, realizing that these two decisions will be the most important in life.

In their junior year they received many rare responsibilities. They encountered many difficulties in studies as well as in character building.

The juniors eagerly look forward to their senior year, and graduation—the termination of their high school education.

For many years, the Kanty band under the direction of Professor Ignatius Chojnacki, has provided Kanty people with their musical entertainment. Though no new visual additions have been made to the band during the past year, one cannot help but notice the audible change. Thanks to Professor Chojnacki's patience and persistence, the band has come to this year's peak of efficiency way ahead of time.

It can be seen that in the future, with Mr. Chojnacki's talent and the new student talent to come, Kanty's prided band will keep providing top quality musical entertainment for all occasions.

3rd row l. to r.: Walter Thomas, Joseph Adamovicz, Thomas Brown, Chester Trzaski, Ronald Kubacki, Michael Kelly, Stephen Zyrkowski, Damien Wiktor, Richard Lodzinski.

In the past year the diligent work of Rev. Joseph Lachowski, C. M., has brought the members of the Glee Club outstanding recognition in the eyes of the students and many people of the city of Erie.

The choral group has worked very hard along with their director to gain a distinction of a singing body comprised of young Kanty Men who are able to present themselves well. This year the Glee Club has gone on tour of local Erie churches and are even scheduled to appear at the Erie Cathedral. For every one of the group's performances many hours of tedious work were exacted from everyone. Just to know how to sing isn't the point that makes a choral group a success. Each and every boy must participate as one. There should be a mutual understanding between the director and the singers. Work and more work is the only solution to these factors. If all these demands are coordinated then the club will be ready for its first debute.

The selections of the Glee Club range from Latin Hymns and American Folk Songs to popular tunes by Fred Waring and Roger Hammerstein. The ever increasing material that the choral group sings is kept up to date by Father Lachowski.

As the Seniors in the Glee Club remember all the experiences that were gained by their constant and sometime trying labors, they will be able to present themselves in a proud and stately manner and also gain by the mistakes which they have committed in the past.

Standing l. to r.: Leo Leider, Thomas Malley, Joseph Adamovicz, Eugene Zalewski, George Nykiel, David Krestchmaier, Michael Kelly, Anthony Szewczyk, Henry Sloma, Mitchell Lambert, George Zeppenfeldt, Stephen Zyrkowski.

This year the library, under the moderatorship of Father Frederick Pilatowski, C. M., Mrs. Anna Finegan, and the students' library staff, has become an all important phase in the life of a Kanty student.

Many new books, magazines, and reference materials have been added to the ever-increasing array of factual literature. Books containing the latest material on events of the past, present, and what might happen in the future are continuously flowing in through the untiring efforts of Fr. Pilatowski and Mrs. Finegan.

The student librarians' job is keeping order in the library and on its shelves. All the librarians have contributed much to expand the facilities in the library and the progress of the students who study in it.

"Joe"

*"There is only one success...
to be able to spend your life in your
own way".*

Christopher Morley—
Where the Blue Begins

"Joe" is one of the boys from the class that entered Kanty four years ago as a freshman. He participated in such extracurricular activities as the Glee Club and the Band. In his senior year, "Joe" was made manager of the varsity teams. "Joe" could be classified as a boy who, if he really put his mind on something, would get the job done, and done right. "Joe" was voted editor of the yearbook and also worked as feature editor on the school's paper. Fine writing talent and good vocabulary gave "Joe" his success in these offices. It is in the future that we hope "Joe" will continue to develop his talent to the fullest competition.

"Eddie"

*"Nothing is so impudent as success—....
unless it be those he favors".*
James Robinson Planché

"Eddie", one of the youngest of the class had the happy-go-lucky air about him. Always the one hit for a half or a buck, "Ed" showed that for his size he was all there. "Ed" loved sports, whether intramural or varsity. Though on the bench a lot, "Ed" took life with a grin. "Eddie" will always be remembered by his classmates and schoolmates as a friend who could always be depended upon. Best of luck in the future!

RONALD T. ANGELO

RONALD T. ANGELO
Glen Falls, New York
"Angie"

*"Coming without thought is useless;
thought without is dangerous".*
motto

"Ron" was one of the "new boys", who has come from Mt. Ascension Prep for his senior year. His main interests in life were art and skating. A native of Glen Falls, home of many a good skater, "Ron" tried to uphold the traditions of the town. He could be seen during the winter trying to keep the pond in the best of condition for skating. The class of '63 wishes him the best of luck in his career as an artist or as an athlete.

THOMAS F. BROWN

THOMAS F. BROWN
Williamsville, New York
"Brownie"

*"There is always room for a man of force,
and he makes room for many".*
Ralph Waldo Emerson

"Tom" was also a new boy at Kanty during the fourth year. He proved himself an asset by not only earning a coveted "K" but becoming the first Kanty student to gain the title of "The Most Valuable Player" in the Diocese Football League. "Tom" loves sports, especially baseball, and with his flashing grin and winning ways we are sure that he will make the Major League.

"Tom's" envious ride was that of the "Big Brother", because anyone could come to him to talk when they were feeling low. In no time at all, "Tom" would have things "sewed up just right" by a joke or a story to cheer up their spirits.

WILLIAM L. HARTNER

WILLIAM L. HARTNER
Pittsburgh, Penna.
"Bill"

"Success is the reward of toil".

motto

"Bill" came to Kanty in his senior year to complete his final year at a Prep school. He is a fellow with a golden personality behind a mask of shyness and reserve. Ask a favor and "Bill" would give no excuses nor say no if it was in his power to do so. For this trait, "Bill" rates high among his classmates and that's what counts.

"Bill" is very sports-minded, intramural as well as varsity. "Bill" is an aggressive basketball player in the correct sense of the word. This has earned him a "K". Good luck, "Bill"!

MICHAEL F. KELLY

MICHAEL F. KELLY
Pittsburgh, Penna.
"Mike"

"It is the mind that makes the man".
Maxim

"All good things come in small packages" is very suitable to "Mike". Although small in stature, he showed most of the class up when it came to mathematics. Because of his uncanny knack of figures, "Mike" was given the office of Business Manager for the yearbook. He was also a wild enthusiast for sports in general and by unanimous vote was elected president of the K.A.A. "Mike", we wish you our best in your life ahead no matter what road you choose to follow.

RONALD T. KUBACKI

RONALD J. KUBACKI
Philadelphia, Penna.
"Bear"

*"Success to the strongest,
who are the wisest and the best".*
Ralph Waldo Emerson

"Ron" came to Kanty like most of us, bewildered and hopeful. He was one to depend on no one but himself and undertook all chores and trials with joy and confidence. His air of leadership won for him the title of President. His athletic talent was shown clearly as he defended the backfield from his tackle position for two years. Lost in a fog somewhere, "Ron" did not return to Kanty for the first half of the senior year. Realizing the good kind of education he was missing away from Kanty, he returned for the second semester. This return pleased us all and we shall continue to hope that his self-confidence helps him in later life. Best of luck in the future, "Bear"!

RONALD J. LESNIEWSKI
Brooklyn, New York
"Ronnie"

*"He that shortens the road to knowledge,
lengthens life."*

Proverb

A truer fan Brooklyn will never have. "Ron" was dedicated to promoting everything about Brooklyn and his big brother across the river, New York. "Ronnie" could always be found telling "foreigners" from other cities how great it was to live in Brooklyn. "Ron" also had his serious side and when there was work to be done out of doors or in the building, "Ron" was always there to do his part and more. In the classroom, "Ronnie" was both diligent and lighthearted. Although he strived for perfection in his studies, he could always come up with a joke when the time called for it. Lots of luck in the future, "Ron"!

THOMAS P. MAHADY

THOMAS P. MAHADY
Latrobe, Penna.
"Tom"

*"The great man is he that does not loose
his child's heart".*

Menicus

About forty miles southeast of Pittsburgh, as the crow flies, was "Tom's" answer to where his home town of Latrobe is situated. "Tom" was the engineer of the class and he hopes to pursue a career in the Law Profession. "Tom" was always fixing electronic equipment for Prof. Kolas and a "ham" at heart. His speaking abilities as announcer for the Christmas social were used by Father Lachowski. "Tom's" interest in sports on the intramural level was spontaneous for he was in every intramural sport offered by Kanty. Success is yours if you play your cards right, "Tom"! Hope you "win the pot"!

JAY L. RAE
Cleveland, Ohio
"Jay"

*"Thinking is the hardest work there is:
The probable reason why so few engage
in it."*

Henry Ford

"Jay" is a lighthearted fellow who lived a brief, but well rounded life at Kanty, participating in everything. He came to Kanty from St. Francis Prep this year to complete his education. He proved himself well-rounded by his active participation in Glee Club, St. Thomas Aquinas, and Dramatic Clubs, beside earning a "K" for his participation in football. His life was not entirely extracurricular however, and "Jay" could be found always striving to do just a little bit more than he had done the last school marking conference. With his determination, we are sure he will succeed in whatever career he chooses.

"Frank"

"All wisdom is not wisdom, and the past is to be studied if the future is to be successfully encountered."

Winston Churchill

"Frank", the smallest of the class, was by no means the most quiet. Not in the sense that he was a clown. He participated as a Librarian, helped in studies, chapel, and the school paper. He was sacristan for three years, editor of the "Kantianus" and was constantly in the intramurals. He was also for studies and at every conference, one could find "Frank" in the upper half or third of the class. With his drive and determination, "Frank" is sure to go far; the only words that can describe him, "too good to be forgotten".

ROBERT J. STINNER
Niles, Ohio
"Bo"

"I came, I saw, I conquered".
Julius Caesar

"Bo" was the out and out football fanatic of the class. His one love was the gridiron. His determination to become nothing but the best earned him the titles of "All Star of the Week" and "Erie Times Athlete of the Week". He also earned three Kanty "K's" for football, and the right guard spot on the "All Diocese Team". He was a real threat to any team but ours. He spurred on the team that took the All Diocese title undisputed. With his drive and determination, we are sure that his big hope may yet be fulfilled, to play for the "Greenbay Packers".

"Vic"

*"Animi imperio, corporis servito,
magis utimor".*

Sallust, Catalina Chap. 1, Sec. 2

"Vic" was the only real Polish student in our class. He could speak, read, and write the language long before any of us. He was always eager to please and put forth his best efforts in the classroom, "Kantyne", as a cheerleader, or on the tennis court. "Vic" was filled with a zest for anything Kanty could offer. His love for everything showed in his marks, friendship toward everyone, and in his ingenuity for management. "Vic" was a great help in the "Kantianus" and the "Kantian". His efforts paid off continually. With his great talent for leadership, we are sure that his life will be a success.

ROBERT J. SZEWCZYK

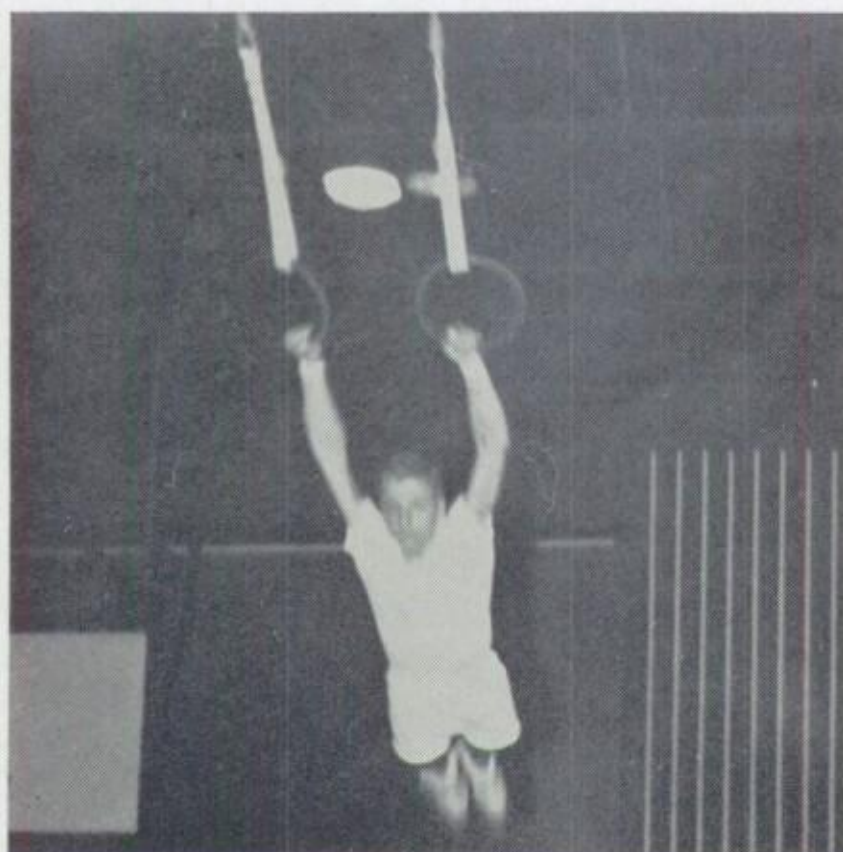

ROBERT J. SZEWCZYK
Brooklyn, New York
"Bobby"

"When a man is no longer anxious to do well, he is done for".

B. R. Haydon, Table Talk

"Bobby", the youngest in our class, was by far one of the most mature. He had varied interests. He loved to go down to the creek on spring afternoons, and had a great enthusiasm for tumbling, band, water sports, and the "Kantianus". His marks were average but in the true spirit of the school as a cheerleader displayed his talents for tumbling. We are sure the school, and those who make up its student body will miss him when he leaves. "Bob", may your life be as fruitful as your stay here!

WALTER M. THOMAS
Trenton, New Jersey
"Walt"

"Do It Now"!

Motto

"Walt" casually "dropped in" in our senior year. He has created quite a stir and when he leaves his absence will be deeply felt. He was a great schemer and organizer in the right sense of the word. He always tried to make things a little better for everyone, and was always trying to be a "buddy" on whom one could always depend. He always could be found working out in the gym. He went out on his own to bring in funds, and to put more ads in the yearbook. He also was interested in the technical end of the yearbook and tried to help out in writing, typing or other little details which are so necessary to put a project through on schedule. Best of luck in the future, "Walt"!

"Chip"

*"Two roads diverged in a wood and I—
I took the one less traveled by, and that
has made all the difference."*

Robert Frost

Ever want to tell something personal to somebody? Well if you did, the person most likely to be consulted was "Chip". The only fault "Chip" ever had was, "Got a Lucky"? Otherwise he was as dependable as the "Rock of Gibraltar". President of the class, end on the football team, forward on the basketball team, and first trombone in the Band, he also sang first base in the Glee Club and had charge of the Gym and the Lounge. Always busy, always smiling, and always a friend, he came up with the right answer at the right times. "Chip" seemed curious about everything. How does it work and why were his favorite questions. With his inquisitive mind he can be assured of future prosperity.

"Steve"

*"As turning the logs will make a dull fire
burn, so changes of studies a dull brain."*
Longfellow

You could have noticed "Steve" in any crowd. Always neat and orderly, he would always stand out among the wrong. His neatness has also carried through in the classroom where he exemplified himself by his good goals. He has always had his best foot forward and has been a great help on the school paper. His orderliness is also seen by the way he handled the library. He always demanded and received orders from the faculty librarian in the way the library was to be left. He also had charge of the side library where the various periodicals were stacked after use. "Steve" however, was not one to subdue his humor. He always had a practical joke for the right moment and his humor showed best in the pre-lenten amateur shows in the gymnasium. "Steve" also played varsity baseball and earned three Kanty "K's". Good luck in the future, "Steve"!

Dear Kantian Reader:

You have just passed through the pages of the 1963 Kantian. Here you have seen the activities that occur at a private boarding school.

If you are a graduate of the class of 1963 or are a current student, this annual, in future years, will recreate the memories that you hold most dear. It will enable you to look back on the days you spent stepping gradually from adolescence to manhood.

If you are an alumnus of Kanty, these pages will also bring back to your mind fond recollections of the days when Kanty was also your home.

If, however, you are one who has never seen Kanty, we are certain that this 1963 Kantian may give you an insight to what a boarding school offers to its students. We also hope that this annual enables you to see the school as we the students, see it.

Thank you, farewell, and may God bless you.

Respectfully yours,
Joseph J. Adamovicz, Editor
Michael F. Kelly, Business Manager

Our school publication, the "Kantianus", serves the alumni as well as the students. The alumni benefit from it by reading of the changes that take place at Kanty today, which this year have been many. To students, it gives a highlight of news, sports activity and humor.

The staff is very proud of their paper and try hard to put out each issue.

Our moderator is Rev. Frederick Pilatowski, C. M., and Francis Roettinger is the Editor-in-Chief.

United Nations Model Assembly Delegates sitting l. to r.: Ronald Kubacki, Chester Trzaski, Joseph Adamowicz, Michael Kelly, Stephen Zyrkowski. Standing l. to r.: Francis Roettinger, Anthony Szewczyk, Paul Lazarek, John Craciun, Stanley Stanish, David Karweck, Father Edward P. Gicewicz.

In 1953 the students of Saint John Kanty Prep were honored by being able to take part in the United Nations Model Assembly sponsored by Gannon College in Erie.

In 1963 the tradition still lives on. This year the delegates from the Senior and Junior classes are representing the country of Jordan. The Rev. Edward P. Gicewicz advised the delegates on the different issues. Steven Zyrkowski and David Karweck coordinated their ideas on Financial Aid in the United Nations; Chester Trzaski and Paul Lazarek on Angola; Michael Kelly and Stanley Stanish on the Berlin Crisis; Francis Roettinger and David Mielcarek on the India-China dispute; Joseph Adamowicz and John Craciun on the Congo Question; and Ronald Kubacki and Anthony Szewczyk on disarmements.

All the delegates participated in the U. N. Model Assembly on April 6, 1963. And to their successors these delegates will leave much valuable scholastic knowledge and experience.

College of the Air Economics Course sitting l. to r.: Stephen Zyrkowski, Thomas Mahady, Jay Rae, Francis Roettinger. Standing at right: Doctor John Susko, Professor of Economics, Gannon College.

A new course of study has been opened up to the seniors at Kanty this year. Under the supervision of Gannon College's Economics professor, Dr. John Susko, and our own principal, Rev. Father Gicewicz, the seniors have been able to obtain six college credits from Gannon College. The economics program called "College of the Air" is shown daily Monday thru Friday at 7:30 a. m. on television. Regular classes are held by Dr. Susko at 12:00 p. m. on Mondays. To comply with this schedule, sacrifices had to be made e. g., that of a half an hour less of final preparation before the 8 o'clock class, but this slight inconvenience was easily minimized.

This year the Science Club, under the direction of Professor Kolas, has made much progress in the fields of biology, physics, and electronics. Enthusiastic members are free to use the school's laboratories to perform experiments, and to work on projects by which they may learn and benefit.

Along with the research work, there are frequent field trips which include the visiting of such places as hospital laboratories, fish hatcheries, and machinery plants. These field trips not only show the students the practicality of science, but also lead to new and more interesting experiments which can be worked out in the school's laboratories.

But the club members are not only working for their own benefit. This year's aim was to set up a campus radio station. At present only a small transmitter is being used for experimentation purposes, but it can be expected that in the future Kanty's own radio station will come to be a reality for the enjoyment of the student body.

The St. Thomas Aquinas Club headed by Rev. Joseph Lachowski C. M., S. T. D., concerns itself with two topics this year; the creative accounts of the book of Genesis and great themes of the Bible.

Each member of the club must have a "B" grade or higher in Religion to join the Club.

The topics were studied from the Bible, which each boy purchases, and from notes given by Rev. Joseph Lachowski.

A healthful atmosphere is needed to keep a school running in a peak condition. At Kanty, a renovated infirmary with all the modern and necessary utensils has kept its students in a good condition. The faculty advisor, the Rev. Edmund Gutowski, and the student infirmarians, Stephen Zyrkowski, '63, and Gregory Bernard, '64, have managed to keep the students going to classes. All minor aches, pains, cuts, and bruises were promptly treated. And for those unlucky students who have in some way injured themselves in a serious manner, expert medical attention was given by Doctor Wood, the school physician, or the doctors and nurses of Saint Vincent's Hospital.

Just recently Typewriting, a new student activity was introduced here at Kanty. This new activity has encouraged many students to take part in this extra course that is being offered. One reason why many students are participating in it is because of the better work which the students can accomplish in college. One example may be a term paper which is so often assigned in many a college. By typewriting it, the professor sometimes gives a better grade.

Here at Kanty the classes are held twice a week with the Seniors and Juniors typing on Fridays and the Freshmen and Sophomores on Wednesdays. Mrs. Finegan, an experienced Librarian and Typist, acts as head instructor of each class.

ENGINEERING DRAWING

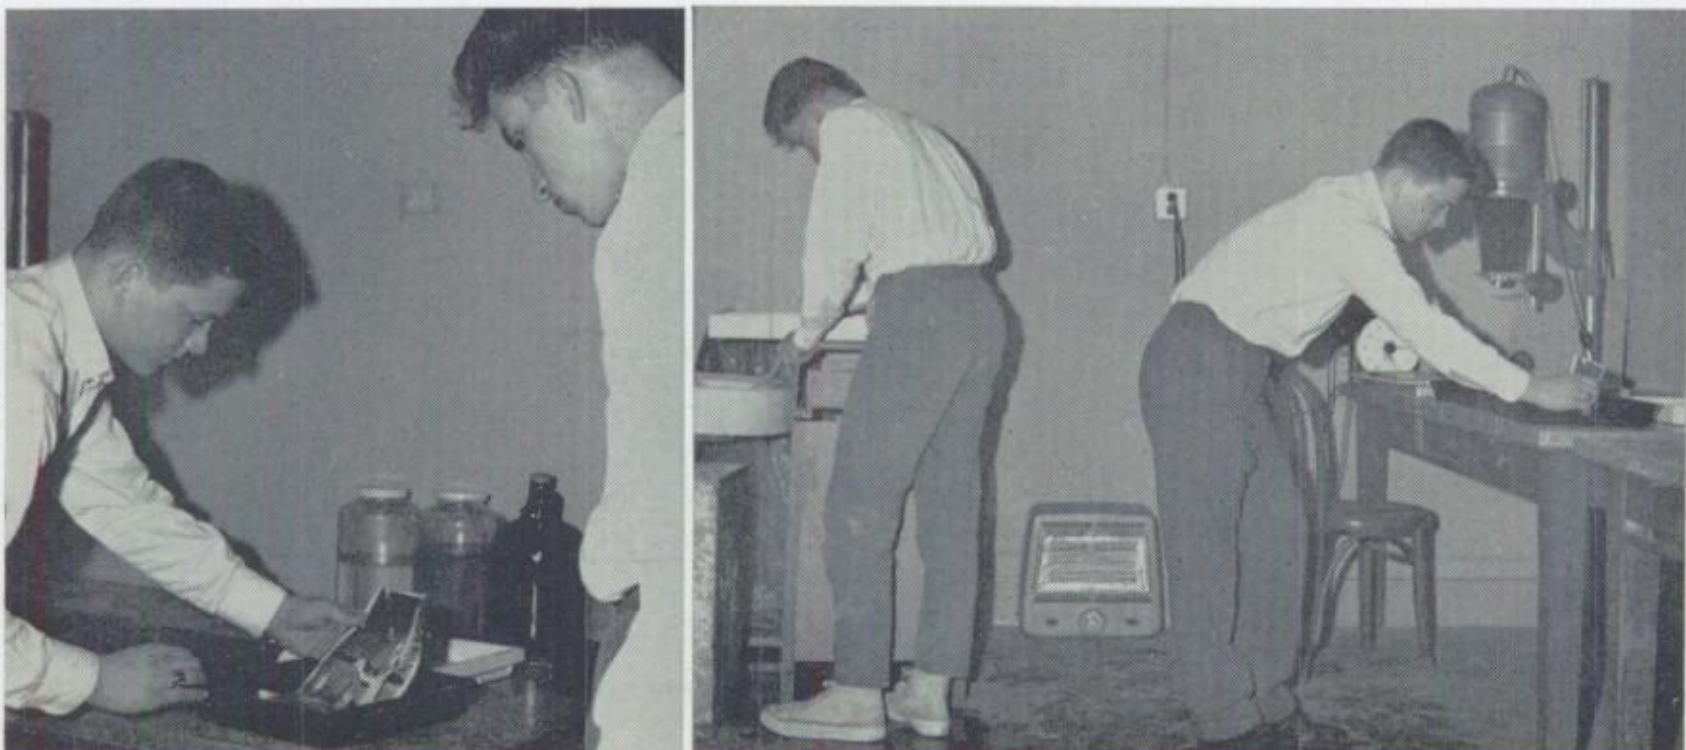

PHOTOGRAPHY CLUB

Kanty has added a few new courses to its curriculum this year. Among the most popular is Engineering Drawing. The class meets every Wednesday for a two hour session under the direction of Professor Paul J. Krahe. Drafting, or "the language of industry" as it is often referred to by Mr. Krahe, is offered to students from the freshman to the senior year. Most of the seventeen students who are enrolled in the course plan to enter the field of engineering. These boys realize the value of learning about their field before they enter college, and Engineering Drawing has provided a chance for them to learn one of the many facets in the field of engineering.

The class has showed the initiative to undertake a project which has proved helpful to themselves as well as the school. It was drawing some plans of the school which were, up to this time, nonexistent.

All the students in the class agree that all the hours they have devoted to Engineering Drawing have not been in vain, and are confident that it will prove rewarding in college as well as later life.

On Sunday April 7, 1963 the Senior and Junior classes started out on their long awaited trip to Washington, D. C.

This was to be the second of such trips to Washington for the Senior class, so it was prearranged that the sights visited previously were to be overlooked and new ones substituted in their place.

On arriving in Washington both classes took lodging at the Ambassador Hotel. From this center of operation the preppers on the first day of touring, visited the National Archives, the Justice Building, the National Gallery of Fine Arts, and the Smithsonian Institute. The two main attractions which turned every students' head was the F.B.I. Department in the Justice Building and new science building of the Smithsonian Institute which contains the space capsule of John Glenn and the rocket which was used to put him in orbit.

The second day of the tour consisted of visiting the Bureau of Engraving and Printing Building, the United States Naval Academy, and Mount Vernon. The tour of the White House had to be dropped because of the long waiting lines and limited amount of time.

Every year the Senior and Junior classes visit Washington. And every year there are bigger and better sights to see along with those of historic value. It is in gratitude that both class would wish to express their sincere thanks to the school faculty and the trip moderator Rev. Edward P. Gicewicz, C. M., for this admirable experience.

It was also arranged that the afternoons and evenings were left open to the students. In this manner each student was afforded the opportunity to visit places which were of special interest to him.

Living quarters for the two day sojourn were arranged for at the Ambassador Hotel. Owing to its central location, it was used as the hub for all activity.

With shutters clicking and flashbulbs popping, the boys of Kanty did their best to make their last evening in Washington a memorable one.

Finally on Wednesday morning, with groggy eyes but high spirits the long awaited journey home for the Easter vacation began.

The sights remaining to be seen the following years on a two-year cycle basis will be: The U. S. Capitol, the private interview with the Pennsylvania Senators and Representative, the Senate Office Building Dining-Room and subway train, the U.S. Supreme Court Building, the Library of Congress, the Immaculate Conception National Shrine, The Franciscan Monastery, the Jefferson and Lincoln Memorial, Washington's Monument, Pentagon Building and the Arlington National Cemetery.

KANTY ATHLETIC ASSOCIATION

GRADUATES OF 1950

The Kanty Athletic Association seated l. to r.: Michael Kelly, *President*; Fr. Stephen Minkiel, *Athletic Director*; and Gregory Bernard, *Vice-President*.

This year the student activity ball started to roll early as Michael Kelly was elected President of the K.A.A. by unanimous acclamation. Gregory Bernard was appointed Secretary and Joseph Adamovicz was appointed Sports Manager.

Throughout the year, President Michael Kelly has done an excellent job in planning the intramurals and various other activities. Whenever there was a problem in scheduling or substitution, Mike would always be there to diplomatically settle the dispute and restore order. Mike really saw his duty and did a very praiseworthy job.

Gregory Bernard, the Secretary, had many demanding duties to perform. He was assigned the task of reporting the results of all sports activities to the Erie papers and keeping the K.A.A. journal up to date.

Probably the most difficult job of all was that of Sports Manager—a job capably taken care of by Joseph Adamovicz. It was his task to see that all the Varsity and Junior Varsity teams had all the necessary equipment. Joe was an untiring laborer carrying out his tasks with utmost efficiency. Joe was awarded with a Kanty "K" for his efforts.

Much praise and congratulation should be given to the officers of the K.A.A. for the superb job they did to promote athletics and teamwork here at Kanty.

Seated bottom row: Mitchell Fennell, Richard Gorski, George Brenzowicz, Edward Androski, James Kennedy, Mitchell Lambert, and Daniel Gall.

VIKINGS CLAWED 25-0

The "Eagles" went to Oil City as twenty-seven point underdogs and came back the winner 25-0 in this 1962 inaugural football game. This was really the best game played all year by the "Eagle's" championship backfield quartet.

Throughout the game, the crowd was electrified by the versatility of "Tom" Brown, a real work horse, as he turned a beautiful 55-yard touchdown romp along with excellence both on offense and defense. "Dave" Karweck turned in a dazzling 49-yard six-pointer besides finding right end "Chippy" Trzaski open for a 35-yard pass and run touchdown combination. The other two members of the backfield "Stan" Stanish, who had a 66-yard touchdown romp, and "John" Janosik, who turned in a 59-yard beauty, really showed themselves to be stingy on defense.

The defensive line led by "Bo" Stinner and "Bull" Szewczyk held the bewildered "Vikings" of Venango Christian to a mere fifty-six yards rushing. THE CHAMPIONSHIP WAGON HAD STARTED TO PICK UP STEAM!

MIGHTY BRADFORD FALLS 13-6

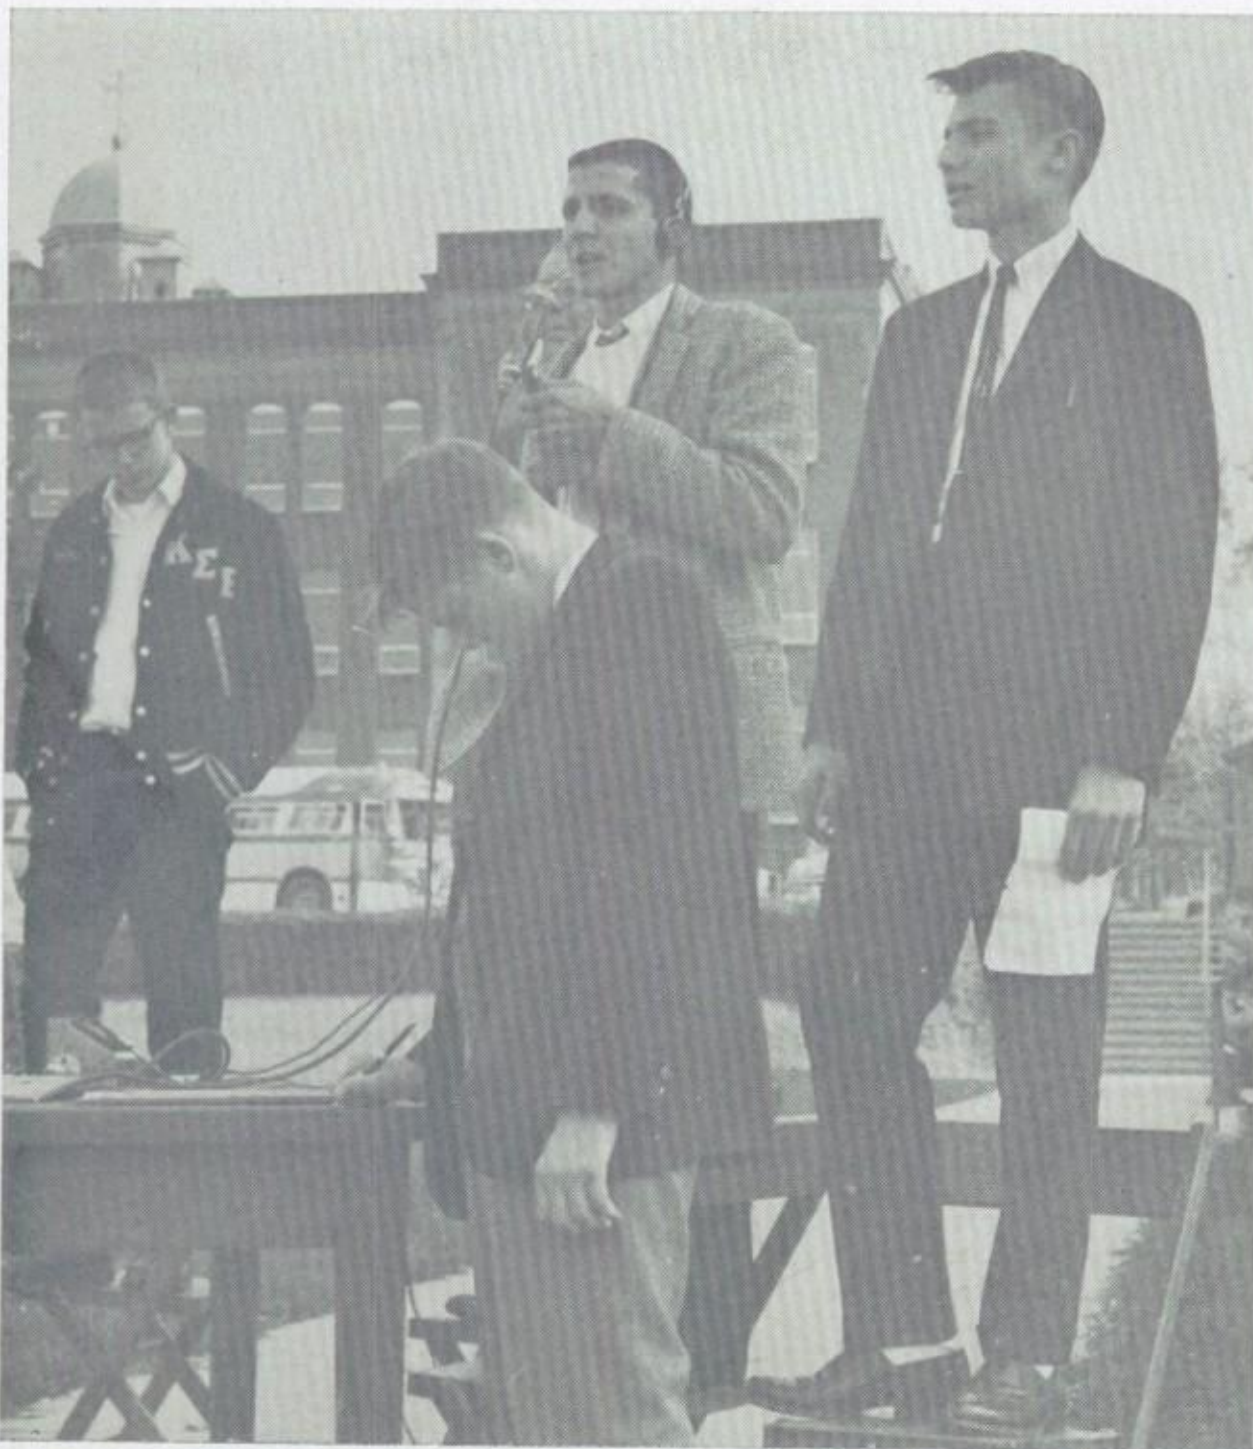

After the surprising upset of Venango Central Christian by the "Eagles", many of the football critics' eyes opened wide. They noticed that Kanty, which had been predicted to be door mats, would face Bradford Central Christian, undefeated for five straight years, as their next opponent. In everybody's opinion this would be their test. The game was well publicized and a crowd of 500 converged on the campus to see this crucial game. It was also broadcast over the radio.

The game really looked the opposite of all predictions. Bradford was a 37-0 favorite but at the end of the first half the score read 0-0. It was a real tense group of boys which lined up for the second half kick-off. Bradford kicked off to QB "Dave" Karweck, who fumbled the ball on the sideline with the Ramblers recovering. Three plays later, Bradford had scored and went ahead 6-0. The mighty "Eagle" forward wall repelled the try for the extra point. With seven minutes left in the game, the "Stinner Boys" forced QB "Kevin" Healy to drop the ball which "Tom" Stinner picked up on the run and scampered 25 yards for a TD. The extra point was good and the "Eagles" were on top 7-6. Four plays later, the "Eagles" defense again caused the "Ramblers" to fumble. This time QB "Dave" Karweck found MVP "Tom" Brown all alone in the end zone to put the game on ice for the "Eagles" 13-6.

After this victory, everyone realized that the Maroon eleven wasn't just a flash in the pan. The "Eagles" were immediately made 20-13 favorites in the championship game the following week at Greenville against Saint Michael's High School.

CHAMPIONSHIP HERE WE COME!

Standing at left is the Bradford, Pa., radio announcer with Stephen Zyrkowski, and Harry Connors below them.

"EAGLES" GRAB CROWN 20-19

All through the following week, queries were heard as to whether St. Mike's or Kanty was the better team. When game time came around on a very beautiful day in Greenville, Kanty was still a 20-13 favorite.

Five minutes after the game began, things looked rather reversed as the "Fighting Irish" were ahead 13-0. Then with a few minutes left in the half, All Diocesan QB "Dave" Karweck sent "Tom" Brown through a huge gap opened up in the line by "Jay" Rae, "Bo" Stinner, and "Tom" Stinner for a 66-yard touchdown jaunt to put the "Eagles" back in the game at 13-7. Three plays later, Karweck leaped high to intercept an "Irish" pass and wiggled his way for a 70-yard pay dirt gallop. The extra point was good and the "Eagles" left the field at halftime ahead 14-13.

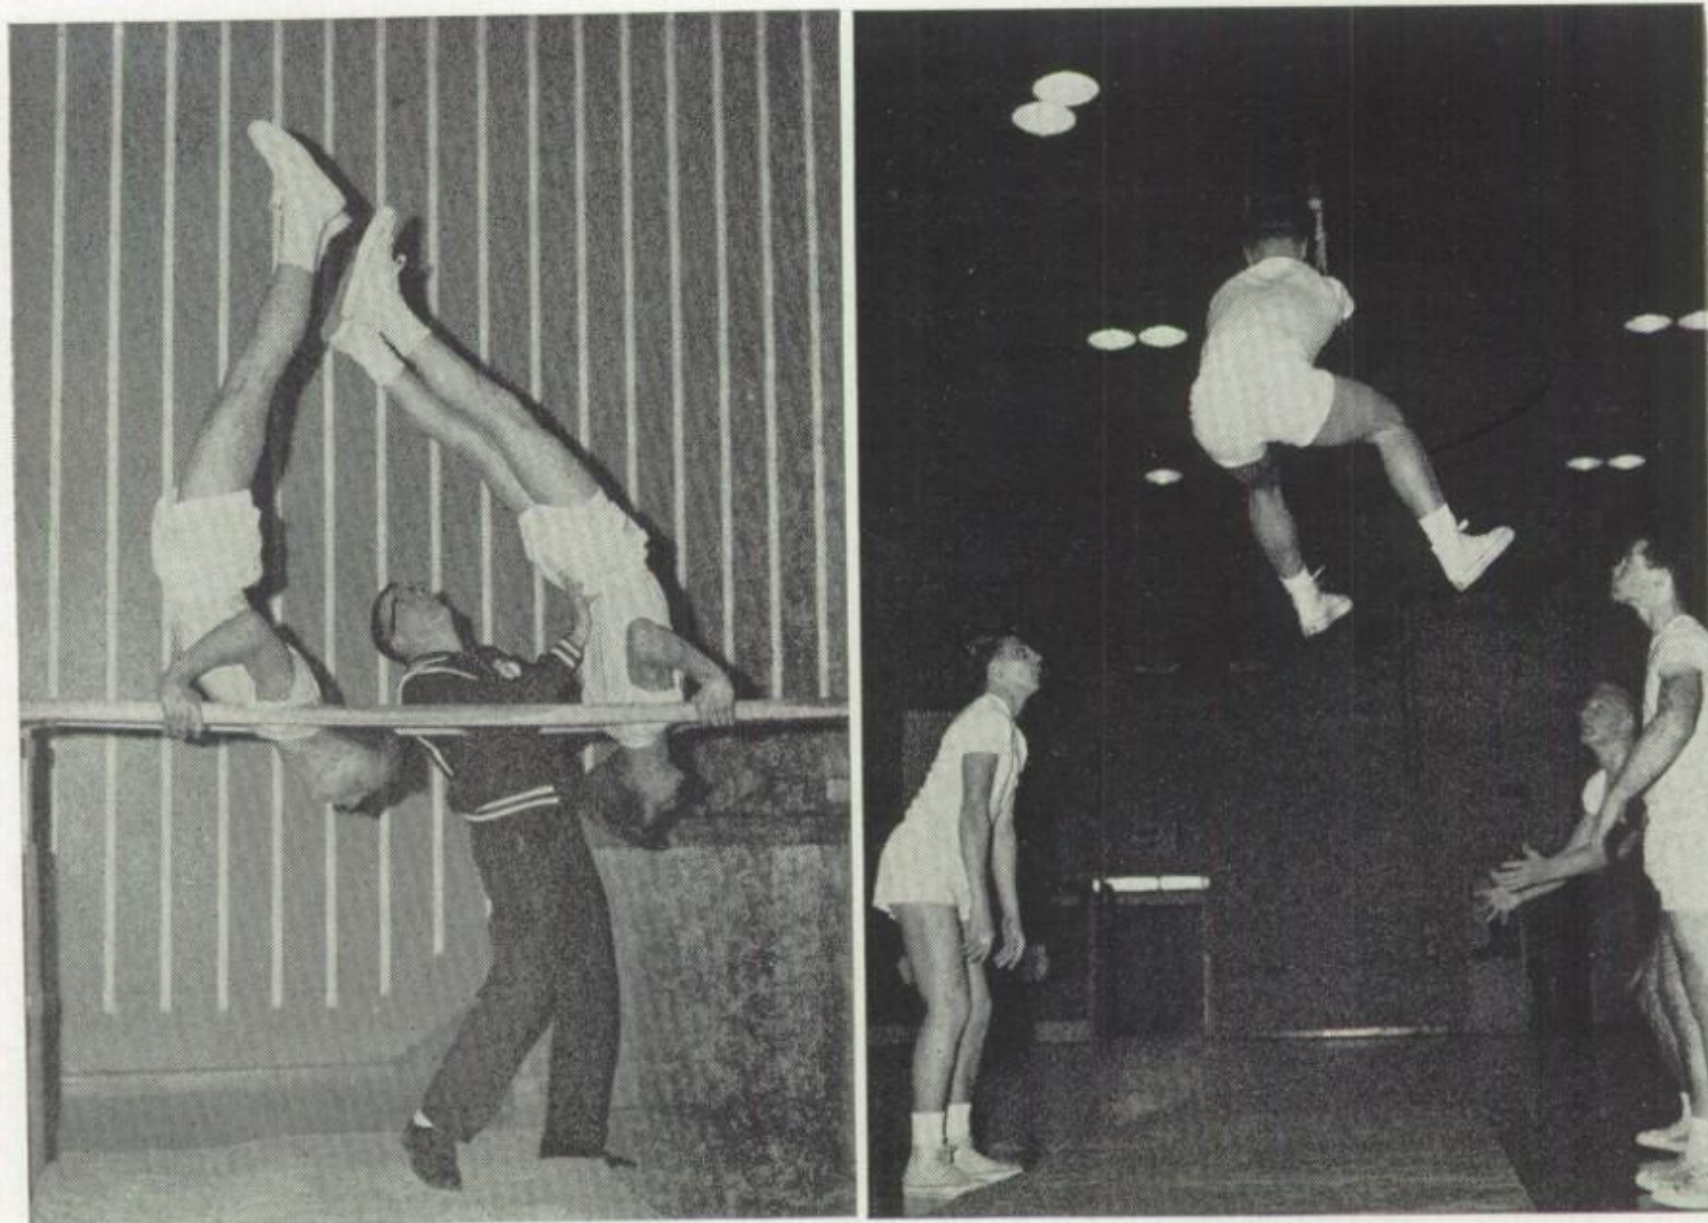

In the second half, St. Mike's came up with another touchdown right off the bat to go ahead 19-14, but the game was far from over. The "Eagles" drew "Irish" blood again when Karweck threw a 45-yard pass to "Tom" Brown to put the "Eagles" ahead to stay 20-19. The jubilant "Eagles" racked up another score but it was nullified by a holding penalty.

After a long ten-year wait, Kanty again had the Erie Diocesan League Football Championship. Throughout the school, cries of "the new MEAT-GRINDERS have returned" were heard. Many are wondering what sort of omen Kanty's return to football power will bring about. All that we can say is that we are very proud to shout, "WE ARE THE CHAMPS NOW!"

EAGLES WALTZ 26-0

Jubilant over their championship, the "Eagles" of Kanty prepared to close their season undefeated against last place North East Saint Greg's. The upset-minded "Crusaders" found the going rough as they were held to minus thirty-four yards rushing and scoreless by the aggressive maroon and white defense.

The MOST VALUABLE PLAYER IN THE DIOCESE, Kanty's "Tom" Brown, had a real field day against the scrappy Crusaders. "Brownie" personally scored three of the "Eagles" four touchdowns. He was able to score twice on runs and once on a pass from Karweck. The "Eagles" other score came when QB Karweck snuck the ball over from two yards out.

This being the final game of the season, the "Eagles" defense was at it's finest. "Dave" Karweck, "Tom" Brown, "Bo" Stinner and "Bull" Szewczyk were constantly plaguing the "Crusaders", causing them to fumble or throwing them for a huge loss.

This year Kanty has seen a revitalization in football. Ater a season of no wins last year, they were predicted for last place. They really surprised everyone sweeping through four straight games undefeated, allowing only an average of seven points per game and 56 yards rushing per game. In the same vein the "Eagles" averaged 21 points, and 156 yards rushing per game in this winning streak. For the first time in the history of Kanty, an unprecedented seven players were named to the All Diocesan All Star team. They were led by Most Valuable Player "Tom" Brown at Fullback, Captain Robert Stinner at Right Guard, Quarter back "Dave" Karweck and Center John Craciun on the first team. On the second team were Right End Chester Trzaski, Left Guard "Tom" Stinner and Right Tackle David Mielcarek. All in all, it was a season full of surprises and it looks as though the EDL championship is here at Kanty to stay for a while.

KANTY 25 — VENANGO CENTRAL CHRISTIAN 0

KANTY 13 — BRADFORD CENTRAL CHRISTIAN 6

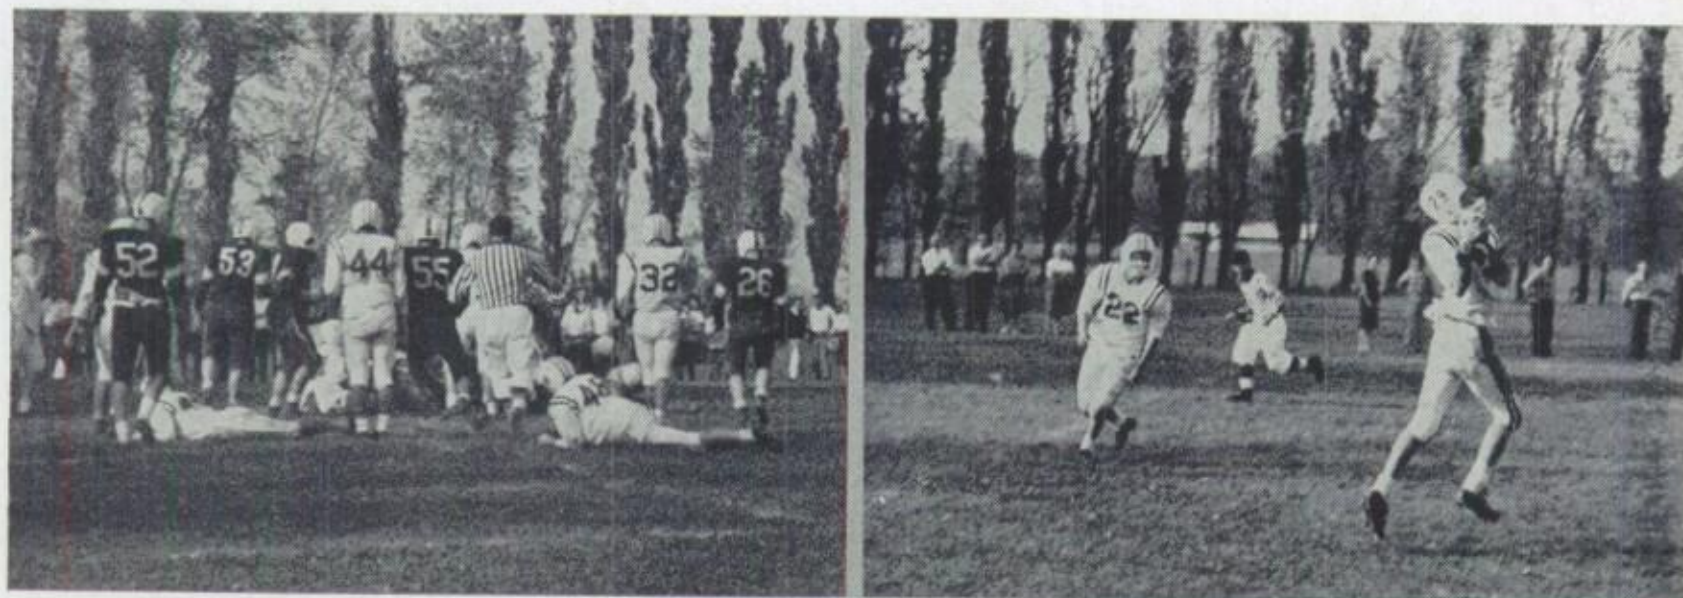

KANTY 20 — GREENVILLE ST. MICHAEL'S 19

KANTY 26 — NORTH EAST ST. GREGORY 0

Season Record 4-0-0

Undefeated and untied Erie Diocesan League Champions

A lot of credit for this year's resurgence goes to Coaches "Huck" Lininger and Edwin LaRock. Mr. Lininger a veteran head coach has had his share of losses here at Kanty. This year everything seemed to add up just right as he led the "Eagles" to their undefeated season. Mr. Edwin LaRock, a new face at Kanty this year, was largely responsible for the physical condition of his varsity charges. He is one person who will not be easily forgotten by the members of the team, how could we ever forget his "light workouts"!

The Varsity Basketball team standing l. to r.: Joseph Adamovicz, John Janosik, David Kretschmaier, James Ritchie, Chester Trzaski, Larry Hermanowski, and Coach Howard Lininger. Bottom row: Richard Camargo, Joseph Cimoichowski, George Lozynski, David Karweck, and William Hartner.

This year on the hardwood the game was somewhat disappointing. The "Eagles" of Coach "Huck" Lininger were much better than their 2-8 record indicates. The job of Mr. Lininger was rough with only two lettermen returning able to play. It was as though the fates were stacked against them; lacking height, the all important rebounds were lost to the opposition. The one key quality evident in all the games was sportmanship and the will to win against sometimes insurmountable odds. Although they were down ten or twenty points late in the game they were always in there playing at their best. This was a year of rebuilding as a lot of valuable experience was gained for next year as the team was composed mostly of Sophomores and Juniors.

On December 2, 1962, the Eagles traveled to Oil City to open their 1962-63 assault on the Erie Diocesan Basketball League crown. They were the guests of Venango Christian High School, who were playing their first game in their new gym. Things didn't turn out the way Coaches Howard Lininger and Edwin LaRock had hoped as both the J. V. and the Varsity lost.

The game got off to a good start as the Eagles went ahead 7-0 and at the end of the first quarter were winning 12-11. In the second quarter the Eagles were held to only three points while the host team put ten through the hoop. At the end of the first half the Eagles were trailing 21-15.

Still very much in the game the Eagles fought with dogged determination all through the second half. At the end of the third quarter they were still trailing 28-22. In the fourth quarter they just couldn't

VARSDTY BASKETBALL CONT.

seem to get the ball to go through the net. The final score of the Eagles inaugural game was 41-31 in favor of Venango.

The game was highlighted by the smooth defensive and offensive play of high scorer Dave Karweck who had 11 points.

On Saturday evening, February 2, the Eagles traveled to Greenville to play the "Fighting Irish" of St. Michael's High School. St. Mike's was currently undefeated and in possession of first place in the Erie Diocesan Basketball League. This was the second meeting of the two teams, Kanty having lost previously, 51-28, at Kanty.

The game started off on the wrong foot when the Irish went ahead 14-0 before the Eagles even hit the scoreboard. All through the first half Pes Ritchie was matching rebound for rebound with St. Mike's 6'6" center Jim Urda. At the end of the first half, the Eagles only trailed 34-25.

In the second half the Eagles tried to fight back but until Urda fouled out in the fourth quarter they were not able to control the all-important boards. The Eagles kept pressing to try and get at the ball but could get nowhere. The final score of this real heart breaker was 68-37.

The game was highlighted by the alert defensive work of Ducky Karweck and Willy Hartner. Jim "Pes" Ritchie played an excellent game under the boards. High scorer was Karweck with sixteen followed by sophomore Rich Camargo with nine.

Looking forward to next year we are sure that our successors will have much better luck.

Whether it was football or basketball the cheerleaders could be counted on to keep the school spirit up. During the undefeated football season they led the student body in well-organized pep rallies on the night before each game. They really gave the team a good send off and gave them plenty of support throughout the games. In basketball their various routines and flips kept the crowd constantly on their toes.

Their job was to act as official hosts for the visiting teams playing here at Kanty. Vic Stronski was the head of the cheerleaders and was responsible for many of their professional-like routines.

JR. VARSITY BASKETBALL

The Junior Varsity Basketball team top row l. to r.: Charles Solly, John McDonald, David Gall, Stephen Skorewicz, Thomas Stinner, Damian Wiktor, and Coach Edwin LaRock. Bottom row: Robert Hancharyk, Bernard McGrane, Mitchell Fennell, George Nykiel, David Dudek, and Paul Poknis.

The junior "Eagles" were plagued with bad luck during the first six games of the season winning only one. Toward the end of the season they found themselves, and won three out of the last four. The games they lost were all close; a couple were lost by less than five points. The sophomores on the team gained valuable experience for their move up to Varsity next year and the freshmen gained valuable training in the fundamentals of good sportsmanship from Coach Edwin LaRock.

For many years now Kantyites have always enjoyed the pleasure of recreation that bowling has brought them. So this year once again, as the basketball season came to an end, five-men bowling leagues were formed under the direction of Father Lachowski, with a Senior and Junior acting as head captains. In all there were a total of forty, with eight captains, thus splitting up into eight different teams.

The following were the names of the eight teams that had participated. They are as follows: "Lords" with captain Paul Lazarek, the "Cubs" with captain Ronald Kubacki, the "New Breed" with captain Thomas Mahady, the "Aces" with captain Edward Adaszewski, the "Cardinals" with captain Mark Openchowski, the "Pipers" with captain William Hartner, the "Buffalos" with captain Thomas Brown and the "King Pins" with captain Robert Stinner.

Under the planning and supervision of Athletic Director, Rev. Stephen Minkiel, Coach Edwin LaRock and K.A.A. President, Michael Kelly, this year's program of intramurals was very successful. In basketball the teams were put into Senior and Junior leagues. Seniors were captains in the major circuit while Sophomores handled the duties in the minor league. The games were played from 2:30-3:10 on Mondays and Fridays and from 3:30-4:30 on Saturdays.

The program's main purpose was to teach Kanty students the basics of good sportsmanship and the fundamental rules of basketball. All in all, it was very successful and a source of good, clean friendly competition for all.

The teams were as follows:

SENIOR DIVISION

Lakers (Robert Stinner, capt.)	Buffaloes (Thomas Brown, capt.)
Phantoms (Ronald Lesniewski, capt.)	Angels (Ronald Angelo, capt.)
	Panthers (Walter Thomas, capt.)

GAME SCORES:

Lakers 22 vs. Phantoms 34

Under the supervision of Mr. Edwin T. LaRock, our assistant coach and gym instructor, Kanty students have attempted and conquered many a difficult stunt. Remembering the primacy of safety, the students proceed to obtain the fundamental knowledge and coordination needed in order to safely attempt a gymnastic feat. After this is developed, the great emphasis is placed on form.

Each student is taught a few basic axioms in tumbling, on the flying rings, parallel and horizontal bars. If a student wishes to specialize on one in particular, he may do so; he will then learn the more advanced maneuvers.

We are sure that within this past year Kanty succeeded in the physical development of her students.

The Tennis team standing l. to r.: Eugene Kowalski, Vitold Stronski, Mitchell Fennell, John McDonald, Robert Szewczyk, Marcian Bouchard, and Richard Camargo.

With the coming of spring again, tennis has become a popular sport here at Kanty. Under the supervision of the Rev. Joseph Lachowski and Mr. Edwin LaRock, the sport has flourished to an all-time zenith. The players were taught not only the strategy of how to play to win, but also to show good sportsmanship, patience, and self-confidence in themselves. Their persevering efforts enabled them to gain precision and high morale.

These developed abilities have enabled the members of the team to look forward to coming competition with a keen zest to do the best they can.

Varsity Baseball

The Baseball team front row standing l. to r.: Coach Edwin LaRock, David Karweck, William McCarthy, Eugene Jaskiewicz, Paul Poknis, Eugene Zalewski, George Nykiel, James Kennedy, Albert DiPiazza, Stephen Zyrkowski, and Jay Rae. Back row: Mark Openchowski, James Garrity, Francis Stanish, John Janosik, Daniel Gall, Robert Stinner, Thomas Brown, James Ritchie, Paul Lazarek, and Damian Wiktor.

This year the baseball infield was enlarged to major league dimensions through the efforts of Coach LaRock and his charges. It really gives the ball park the look of the majors.

The big boy of this year's baseball team is pitcher-first baseman "Tom" Brown who can always be counted on for the extra base hit in the clutch. "Dave" Karweck, a returning letterman, is burning up the league as the best third sacker around. Another letterman, "Steve" Zyrkowski is having a fine season in left field despite a nose injury suffered in practice. Coach LaRock has also discovered some valuable freshman talent in Paul Poknis, a second baseman with plenty of potential and Frank Stanish, a boy who can play almost anywhere. Both of these boys have earned starting positions and are making names for themselves as good hitters.

Playing an expanded twelve-game schedule that includes Cathedral Prep, Academy, Strong Vincent, Harbor Creek, and St. Mark's, the eager "Eagles" expect little trouble. They started off with first game jitters and lost a couple. They came across with their first victory over Harborcreek behind the beautiful pitching and hitting performance of "Tom" Brown who pulverized the "Huskies", striking out 11 and powdering a home run into deep center field to win his own game 3-1.
